We love good coffee - that's why we roast our own espresso in our coffee roastery in Wertheim. With a note of dark chocolate, nut, caramel and a balanced acidity as well as a heavenly, golden yellow crema, it combines all the characteristics that make a good espresso. We use Arabicas from South and Central America and a small amount of Robusta from India. Whether as a classic espresso or in a Cappuccino - we serve you our coffee according to your taste. And the best thing is: you can also buy the original L'Osteria Bar Italiana beans here in the restaurant or order them conveniently online!
